1741 have died in custody
after contact with police

Raise your voice

Asking for equality shouldn't
be this hard

How long to we have to wait
for these knuckleheads to
keep evolving

It is time to level the playing
field

In the US, Britain,
everywhere... Black lives
matter

Educate
Advocate
Amplify

Sexism Racism Fascism
Not welcome here

No human is illegal

Black women matter too!!!

It could have been me

Racism is pure shan

Stop killing us!

Black liberation

Change doesn't happen if
you're quiet

My skin gives me privilege I
didn't earn – Your skin gives
you hate you don't deserve

It is not enough to be quietly
non-racist, now is the time to
be vocally anti-racist

Injustice anywhere is a threat
to justice everywhere

Bienvenue la revolution

Fuck Boris and the racist
establishment he's come
from

United we stand
Divided we fall

Ghetto until proven
fashionable

They consume but won't
engage

Don't trust the bizzies

A country built on racism is a
country that needs rebuilding

Mark Duggan
Never forget

No justice
No peace

You can't kill us all

I hope they don't notice I'm
Black

I don't rate police

We must maintain the same
energy tomorrow
And the day after that

I'm scared ov police

Police R shit
We don't trust them

I grew up not liking police

I wanted to write every name
of every victim but the list
was too long
#saytheirnames

No lives matter until Black
lives matter

If you're not angry you're not
paying attention

How to be a good police
officer
1) Quit

Hands up means don't shoot

Black lives matter
It's not a trend

It matters to me

Smash White supremacy

We will keep fighting the
good fight until we are
treated right!

Respect Black women

Stop taking sons from their
mothers

The UK is complicit

Listen

Justice for all

It's not White rights it's
human rights

Stop killing the mandem

No peace till we're equal

Stop criminalising Black
people

Stop the lynching

I have a dream

Let Black people live

End police brutality

Stop killing the gyal dem

We are living in a pandemic
of dehumanisation

The UKKK is not innocent
You have blood on you hands

It's a privilege to educate
yourself about racism instead
of experiencing it

Boris you are guilty too!

Police the police

Real change now

Bring justice, healing +
freedom to Black people
across the globe

Justice for all ain't specific

Racism is a virus
Education is the cure

Black people made Glasgow

Use your privilege to spread
awareness not racism

Just to sit still would be a sin

No more silence

covid-19

Exodus 5:1 Let my people go
- Moses & Aaron

We owe Black women the
world

4 our future Black kids

Remember Stephen
Lawrence

Change will not come if we
wait

Stay Alert >> End Systemic
Racism >> Save Lives

There comes a time when
silence is betrayal

A new decade yet we're still
fighting for racial equality

Black lives matter today,
tomorrow and every day after
that

All power to the people

The Panthers were right

Privilege:
When you think something
isn't a problem because it
doesn't affect you personally

Proud God mum of 3
beautiful Black kids

Black nurses lives matter
Racism exists in the NHS
too

BAME Covid mortality 10% -
80% ^^^ than White

Dear racist
Your child needs a pint of
blood
Choose the White one

Solidarity not just sympathy

I am a mom of a Black Queen
and King
I want them to breathe
It's their birthright

South Asians for Black lives

Stop being racist. Thanks.

You have to act like it were
possible to radically
transform the world, and you
have to do it all the time -
Angela Davis

Fuck standing on the
sidelines

The name changes but the
colour stays the same

We demand change
We demand equality
We demand justice

Racism isn't getting worse
it's getting filmed

Privilege isn't about what
you've gone through it's
about what you haven't gone
through
